

Kensington Gold Mine

June 24, 2010

Dear Kensington Supporters:

We want to share with you the attached exciting news. In this Coeur news release you will see we are now underway. Thanks to the diligent efforts of our dedicated employees and contractors at Kensington, we are right on target to production.

I know that those of you who have been constant, steady supporters of this project join us in the elation of reaching this milestone. We couldn't have done this without you!

Our dedicated team at Kensington will keep our commitment to produce and protect.

Regards,

Tom Henderson  
VP and General Manager
